If you do not feel confident in performing all of the above skills and activities, we strongly recommend that you employ our divemaster services.

I hereby certify that I have had training and experience in the skills indicated above. I also undertake to perform the appropriate safety activities when required. Where I indicated 'No' above, I have discussed my concerns with the dive staff and understand what is required of me. I am physically able, prepared and ready to participate in an open water boat dive.
